Enrollment and Tuition Details

Midtown Montessori Academy's tuition rates are set for each academic school year. Each school year begins in August. Tuition may be paid annually (July 1), Bi-Annually (July 1 & January 1), or paid in monthly installments due the 1st of each month (beginning in July). A 3.5% discount is applied if annual tuition is paid in full by July 1st. Meanwhile, a payment plan fee of \$7.50/month is collected if a monthly installment plan is selected. Tuition funds ensure MMA's ability to pay operating expenses and faculty salaries, as well as maintain our program quality through continued professional development courses for our staff.

A signed Tuition Agreement commits a student to enrollment for one school year and a 10% tuition deposit is due at the time of contract. Students enrolling for their first school year with MMA will be required to pay a one-time Enrollment Fee, in addition to MMA's Annual Building & Materials Fee and the Tuition Deposit. These deposits and fees are non-refundable. Tuition and Fees are subject to annual increases to ensure MMA's financial ability to meet the needs of existing and future students, in line with MMA's academic and aesthetic standards. A sibling discount of
